

Dear 2nd Grade Parents,

January 9th, 2023

In music, we had a great first semester! We learned several new songs, discovered new musical concepts, wrote and performed our own patterns, celebrated "Millions of Cats," and played new games! We want to celebrate some of those games with you for our upcoming PTA program. It will be Thursday, February 23rd in the Nebbie Elementary cafeteria at 6:30 p.m. We have asked all 2nd Grade students to try their best to be there that night. We need to know if your child will be able to attend, so that we may start holding auditions for special parts. Please have your child return the bottom portion of this note to his/her classroom teacher by Friday, January 27th. Please keep the top for your information.

If your child is able to attend and perform that night, he/she will need to be in the gymnasium **no later than 6:00 p.m.** Students are encouraged to wear jeans and any plain solid-colored shirt. The program will take place at 6:30 p.m., after the 6:15 p.m. PTA meeting. We look forward to a great program!

Sincerely,

Justin Foley
Music Teacher
