### Examples of community service/volunteer hours:

- Volunteering with a non-profit community service organization
- Community service club activities (not meetings)
- Community service through a religious institution
- Political campaign activities
- Helping a hospital, convalescent home, or orphanage
- Giving blood (2 hours of community service allowed during school hours if it is a school sponsored blood drive)
- Contributing to a toy drive/food drive

### Examples of what is NOT community service/volunteer hours:

- Anything that you get paid to do
- Sales of items for fund-raisers
- Volunteer work during regular school hours
- What would be considered normal extracurricular (or co-curricular) activities, such as sports and sport related activities and participating in school performances activities that are related to a class
- Working for individual teacher(s) such as cleaning out closets, re-arranging rooms, etc
- Service where the recipient is a family member or where a family member supervises the service
- Tutoring individual students
- Babysitting or yard work for individuals
- UIL competitions
